Dear Mishawaka Wrestling Supporter,

The reason for this letter is to celebrate the resurgence of the Mishawaka Wrestling program as well as request the financial support to build upon our wrestling heritage and success of our student athletes.

Growing Women's Wrestling Participation and Achievement:

- What used to be occasional female participants is now 4-6 team members annually
- Consistent Women's State Finalists, Placers, and Qualifiers the past several years

Mishawaka Wrestling at the Junior High and Club level has resulted in:

- Continual domination of the Big 11 Conference and Middle School team championship
- Numerous Middle School State placers every year and near or at the top for Team State
- Youth wrestlers earning individual ISWA State Championships and several State Placers

Former Cavemen currently wrestling in the collegiate ranks:

- Cody Timmerman, 184 lbs, Indiana Tech

To build on this success, Mishawaka Wrestling needs sustaining financial partners with donations and sponsorships to help underwrite the costs of:

- Expanded Coaching Staff
- Advanced Training Opportunities
- Specialty Skills Camps
- Development of Future Cavemen Through Our Youth Wrestling Club
- New Wrestling Mats
